Dear Parents and Carers

Thank you for your continued support during another busy, but positive, week.

On Tuesday and Wednesday, we welcomed our (soon-to-be) new S1 pupils to the school, and we owe a huge thank you to our senior pupils for being buddies and tour guides throughout the 2 days. They were also brilliant ambassadors for our school during the Information Evening, welcoming parents / carers and showing them around the building.

On Thursday we had the first of our Year Group Awards ceremonies and it was lovely so many parents / carers were able to join us. Mr Harvey led the awards, celebrating some truly exceptional achievements from the last 12 months. We look forward to the remaining year group ceremonies this week, culminating in the whole school awards evening on 1st July.

For parents / carers of pupils who sat national qualifications this year, if you missed last week's update, please can we draw your attention to the notices on exam results day and appeals.

Finally, we've been asked to share the notice about working in social care with our whole community.

You'll also see promotion material for National Thank a Teacher day on 19th June. Please take a moment to recognise any member of school staff who you believe has done something special for our school community.

We hope you all have a fantastic week,

Miss Claire Meakin, Head Teacher
(claire.meakin@glow.orkneyschools.org.uk)

Interested in working in social care with Orkney Islands Council?

If so, come along to UHI Orkney to find out more.

Tuesday 25th June, 11.00-12.15 Room G305
